DOUBLE DOG DAY CARE POLICIES

These policies help maintain a safe, healthy and enjoyable environment for every dog and person in our facility.

1. Temperament All dogs must complete a temperament evaluation. Double Dog Day Care (DDDC) reserves the right to refuse any dog that might be a safety hazard to itself, other dogs in our care, customers or staff members. This includes, but is not limited to, dogs that are aggressive, antisocial, people-aggressive, anxious or physically ill. All dogs must have completed the first round of vaccinations and remain current. Dogs attending day care must be spayed or neutered by their first birthday.

2. Vaccinations All dogs must have current vaccinations against rabies and Bordetella, plus an annual vaccine such as DHLPP or DAPP. Dogs will not be admitted without proof of vaccination and must remain current on all required vaccines.

3. Flea protection All dogs must be on a veterinarian-approved form of flea control. Dogs with fleas will not be permitted in the facility.

4. Heartworm prevention All dogs must be on a veterinarian-approved heartworm preventative.

5. Collars and leashes All dogs must wear a collar and be securely leashed when entering and exiting DDDC.

6. Feeding We discourage feeding during day care because food may lead to possessiveness. If your dog must be fed while in our care, you must provide the food and bowl. DDDC reserves the right to charge a service fee.

7. Toys and beds Toys and beds from home are not permitted because they may lead to possessiveness.

8. Payment for services Payment is expected when service is rendered unless other arrangements have been made. We accept cash, checks and major credit cards.

9. Late fees Pickup after the stated closing time is charged at $5 per quarter hour.

10. Use of equipment and facility Toys and equipment are intended solely for use by dogs. DDDC is not responsible for the safety of adults or children, or liable for injuries that may occur while on our premises. DDDC reserves the right to eject parties exhibiting unruly or disruptive behavior.

> By signing below, I acknowledge that I have read, understand and agree to the policies stated above.

HOLD HARMLESS RELEASE

Paw Club, LLC, doing business as Double Dog Day Care, together with its owners, employees, representatives and affiliated persons, is referred to below as "DDDC."

Owner's printed name _____

By signing this form, I agree not to hold DDDC liable or bring suit for injury to or death of my dog while on DDDC premises.

Although DDDC screens dogs for temperament, does not admit dogs known to be aggressive and carefully supervises the dogs, I understand that interaction between dogs can be hazardous to dogs and people. I will not hold DDDC responsible for injury to or death of my dog that may occur in day care, the grooming salon or during indoor or outdoor recreational play. If DDDC staff notices my dog limping, favoring a paw or becoming agitated, staff will make reasonable attempts to reduce the dog's activity by providing a rest period, but DDDC is not otherwise liable.

If, in my absence, my dog becomes ill, injured or otherwise requires veterinary care, I authorize DDDC to consult with my veterinarian. If immediate care is needed, I authorize DDDC to take my dog to the nearest veterinarian or emergency animal clinic. I am responsible for all veterinary costs, including transportation to and from the veterinarian or clinic.

I declare that my dog is not known to be aggressive toward other dogs or people. If my dog intentionally injures another dog or person while at DDDC, I agree to pay all medical bills associated with the incident.

I declare that my dog has not been exposed to a communicable disease within the past 30 days and is fully vaccinated according to DDDC policy. I will keep my dog's vaccinations current and provide documentation for DDDC's files.

I understand that DDDC cannot be held responsible for belongings that are lost, dirty, damaged or destroyed, including collars and leashes left at DDDC.

> My signature confirms that I understand and accept the terms and conditions of this release.

DAY CARE BEHAVIOR STANDARDS

To maintain a safe environment for our staff and the dogs in our care, the following behaviors will not be tolerated and may result in dismissal from day care.

- Aggression in any form, including when entering or exiting the play area; during play; during the arrival or dismissal of other dogs; food or treat aggression; or unfriendly biting of staff members or other dogs.
- Excessive, nonstop barking.
- Uncontrollable behavior, including jumping on staff members.
- Fence jumping.
- Behavior or body language indicating that a dog is uncomfortable in the day care environment.

> Thank you for helping us keep Double Dog Day Care safe, comfortable and enjoyable for everyone.
